Sir:

RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

In response to the Notification of Defective Response dated October 6, 2008, in connection with the above-identified application, Applicants submit herewith a Sequence Listing in computer readable form, a Sequence Listing on paper, and a Sequence Listing Transmittal and Statement.

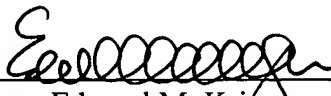

The undersigned, having telephoned the Patent Office on October 22, 2008, to inquire as to why Applicants' response dated August 18, 2008, was being regarded as defective, was told by Ms. Tamala D. Holland that there was no electronic copy of the Sequence Listing on file. Applicants note that a computer readable copy of the Sequence Listing was filed on August 18, 2008, as evidenced by the enclosed copy of the return postcard. In any event, the undersigned was advised

by Ms. Holland that the alleged defect could be remedied by re-submitting the Sequence Listing, which Applicants are doing with this filing.

It is not believed that a fee is due with this paper. Notwithstanding the above, if there are any fees due in connection with the filing of this paper that are not accounted for, the Examiner is authorized to charge the fees to our Deposit Account No. 11-1755. Also, if a fee is required for an extension of time under 37 C.F.R. 1.136 that is not accounted for already, such an extension of time is requested and the fee should also be charged to our Deposit Account.

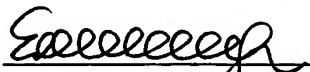

Respectfully submitted,
